POLDEN PUCKHAM CHARITABLE FOUNDATION

TRUSTEES REPORT FOR THE YEAR ENDED 5 APRIL 2007

Constitution and Objects

The Polden Puckham Charitable Foundation is constituted under a trust deed dated 8 May 1991. The objects of the Foundation are to make grants for general charitable purposes at the discretion of the Trustees. A policy has been implemented that reflects the interests of the Settlers but has also evolved to meet new concerns.

Organisation

Meetings of Trustees take place twice a year, in spring and autumn when policy decisions are made, strategy decisions and administrative arrangements reviewed and decisions made on grant applications. A Secretary administers the Foundation on a day to day basis and is answerable to the Chair. Jagdish Patel served as Secretary during the year but gave two months notice to leave in March 2007. Discussions regarding the appointment of a new Secretary have taken place. A temporary Secretary, Julliette Rutherford has been appointed.

Trustees

At the November 2006 meeting, Val Ferguson and Gerado Fragoso were appointed Trustees. Harriet Gillett was appointed as Chair.

Grant-making Policy

The Foundation invites applications for funding from organisations working in the fields of peace and security, ecological issues and a third 'other' category. Projects are generally funded from one to three years. Information is requested on how projects are to be monitored and evaluated.

Our Underlying Approach

The Foundation aims to support projects that change values and attitudes, that promote equity and social justice, and that develop radical alternatives to current economic and social structures. It gives particular consideration to small pioneering headquarters organisations.

Peace and Security

The Foundation supports organisations that are developing ways of resolving international and internal conflicts peacefully, and removing causes of conflict.

Ecological Sustainability

The Foundation aims to address the causes of global ecological damage rather than its symptoms. It particularly supports organisations which are tackling the underlying pressures leading to environmental damage. Fundamental to this approach is the realisation that in order to meet targets for containing global warming, as well as minimise other environmental problems, we in the developed countries have to alter our way of living to live more sustainably.

Other Issues

The Foundation also supports initiatives which relate to corporate responsibility, ethical investment, trade, human rights and women's issues, especially where they involve policy change work that links to peace and ecological issues. The Foundation also has a long-standing link with the Society of Friends.

Exclusions

The Foundation does not generally give grants to organisations based outside of the UK unless they have a well established relationship with a UK charitable organisation. Other exclusions include grants to individuals; travel and study bursaries (including overseas placements and expeditions); academic research; capital projects (e.g. building projects or purchase of nature reserves); community or local projects (except innovative projects for widespread application); international agencies, overseas appeals and appeals of a general nature.

POLDEN PUCKHAM CHARITABLE FOUNDATION

TRUSTEES REPORT (continued) FOR THE YEAR ENDED 5 APRIL 2007

Activities during the year

Sixty two grants were made during the year. Some of the organisations were visited by trustees. PPCF is a member of the Association of Charitable Foundations (ACF) and regularly attends ACF meetings and the annual conference. These meetings provide a good opportunity for networking and learning about the latest thinking in relation to trust policy and practice. The Foundation is also a member of the Environmental Funders network, which organises meetings of topical concern which are regularly attended by the Secretary and /or Trustees.

Updating of the governance procedures, started in 2005-6, continued. An experienced charity solicitor, James Sinclair Taylor provided a draft document which trustees discussed at the November 2006 meeting. It was agreed that this should be expanded to comprise a Governance and Procedures Handbook, to cover a broad range of management issues, including trustee, Chair and Secretary job descriptions, person specifications and terms of employment (as appropriate), health and safety procedures; grievance procedures; disciplinary procedures. The extended draft document was completed during the year, for discussion at the April 2007 meeting.

Investment Policy

A Finance Committee oversees the Foundations investments. Rathbone Greenbank manage the Foundation's investments with an agreed social investment policy which aims to match a sound investment strategy where possible with cutting edge corporate responsibility practice. For example we are represented in the property sector by an investment in the Ethical Property Company; and in the new technology sector by investing in Vestas Wind Systems. Trustees ensure that the risk factors are limited by investing across the board in over 50 different companies.

Financial activity for the year

Income generated was higher than expenditure which means that we can consider more resources going into grant-making in the next financial year.

Key Statistics:

	2007 £	2006 £
Income		
Investment income and bank interest	435,026	437,294
Expenditure	451,054	419,321
Expenditure (key items)		
Investment management and advice	23,773	21,339
Support and governance costs	39,506	35,882
Grants	392,775	362,100
Average grant size	6,335	6,963
Total grants:	392,775	362,100
Total number of grants	62	52
Grants breakdown:		
Peace and security (18 grants)	135,275	140,000
Ecological issues (23 grants)	137,000	115,100
Other (17 grants)	77,500	70,000
Quaker (4 grants)	43,000	37,000

Risk Management

The trustees seek to spread the investment risk where possible. Trustees are aware of the danger of the large "endowment" holding in the private company, C & J Clark Limited. As it is a private company the marketability of shares is strictly limited. Any opportunity to diversify will be taken whenever the opportunity arises. We believe that the stringent auditing process for the Foundation's accounts reduce the risks considerably of any financial mismanagement.

POLDEN PUCKHAM CHARITABLE FOUNDATION

**TRUSTEES REPORT (continued)
FOR THE YEAR ENDED 5 APRIL 2007**

Reserves Policy

Since the Foundation is not an operational one it does not need to have great continuous liquidity of reserves. The trustees consider that a small amount of cash in hand is sufficient and that capital may be realised at any time to meet any additional requirements.

Harriet Gillett

Chair
on behalf of the Trustees

Dated: 3 November 2007

POLDEN PUCKHAM CHARITABLE FOUNDATION

STATEMENT OF TRUSTEES RESPONSIBILITIES FOR THE YEAR ENDED 5 APRIL 2007

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year. The Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required to give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on a going concern basis unless it is inappropriate to assume the Charity will continue in operation;

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

POLDEN PUCKHAM CHARITABLE FOUNDATION

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES

We have audited the financial statements of Polden Puckham Charitable Foundation for the year ended 5 April 2007 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial statements have been prepared under the historical cost convention, modified by the revaluation of certain investments, and the accounting policies set out therein.

This report is made solely to the charity's trustees, as a body, in accordance with section 43 of the Charities Act 1993 and the regulations made under section 44 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for opinions we have formed.

Respective responsibilities of trustees and auditors

The trustees' responsibilities for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Trustees' Responsibilities.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the trustees' report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read the Trustees' Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the charity's affairs as at 5 April 2007 and of its incoming resources and application of resources for the year then ended; and
- have been properly prepared in accordance with the Charities Act 1993.

POLDEN PUCKHAM CHARITABLE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2007

1. ACCOUNTING POLICIES

Accounting basis and standards

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value. They have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005, applicable Accounting Standards and the Charities Act 1993.

Investment income

Investment income comprises the returns receivable on investments for the year, including recoverable tax and interest on cash balances.

Donations and legacies

Donations and legacies are accounted for on a receivable basis and credited to the Statement of Financial Activities in the year that they are due.

Resources expended

Resources expended are included on the accruals basis, inclusive of any value added tax which cannot be recovered.

Grants are accounted for in the year allocated for payment by the Trustees. Grants authorised for payment in future years but not committed are recorded by way of note to the financial statements.

Taxation

The Charity is exempt from taxation on income and gains on investments.

Fixed assets

Office equipment, consisting mainly of computer equipment, has been written off in the year when acquired in view of the small amounts involved and the insignificant residual values.

Investments

Investments are included at their market value as at the balance sheet date unless otherwise stated. All movements in value arising from a change in market value of investments are shown in the Statement of Financial Activities as an unrealised gain or loss. Realised gains and losses on investments are calculated as the difference between the disposal proceeds and original cost.

Funds

The Trustees regard all income and capital as being unrestricted and available to be applied for the Charity's charitable purposes and objectives. Where income has been invested and is not immediately required the amount invested is recognised as an investment fund.

2. REVERSIONARY INTERESTS

Avalon Leatherboard 1909 Trust

The Charity held a reversionary interest in the Avalon Leatherboard 1909 Trust. Up to the year ended 5 April 2006 this interest was recognised in the accounts at a nominal value of £1. During the year ended 5 April 2007 the interest was assigned to the Charity and the trustees have received a distribution amounting to £95,000 representing capital and interest. It is understood that a further small distribution may be received in due course. The trustees have recognised the distribution in the accounts as follows:

	£
Income (interest)	9,441
Realised gain on disposal	85,559

	95,000
